

SENATOR LA FOLLETTE COMES TO MARION

Will Appear on Local Y. M.
C. A. Lecture Course.

Known the World Over as a Tireless
Foe of the Machine and
Corporate Corruption.

Senator Robert M. LaFollette will speak to a Marion audience during the coming lecture course season. Sen. LaFollette is a man greatly sought after by lycium and chautauqua bureaus as he is a man with a message that the people want to hear. Sen. LaFollette takes a few days from his busy work and gives to the American public his view of the great questions before the nation today. An informal note taken recently by the Chicago Tribune to ascertain the relative popularity of the various candidates for nomination to the presidency in 1908, showed Sen. LaFollette to be wonderfully popular with the people.

SENATOR LA FOLLETTE
Who Will Appear on the Y. M. C.
A. Lecture Course This Season.

Sen. LaFollette is a scrapper, a safe and sane scrapper; if you please, one whose views are not distorted by factional partisanship or narrowed by selfish interests. He will come directly from the firing line to stir his hearers with a vivid portrayal of the issues before the American people today. Sen. LaFollette is a national character with a reputation as a tireless foe of all machine and corporate corruption.

He is acquainted with the politics of Wisconsin and he is well enough acquainted with the politics of Ohio to give Marion people his opinion of any Ohio politician who may happen to be under the ban of his disapproval. Whatever Sen. LaFollette may say it is sure to be something of vital importance to the public and he will say it in the style of the great and powerful orator that has won for him so much well deserved praise.

Morton L. Hill, of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried Dr. Deitch's Relief or Rheumatism. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life."

PETITION IS ACCEPTED

City Council Holds Special
Session.

SOUTH PROSPECT STREET

Paving Matter Comes up for
Settlement.

Between Hill Street and the Cor-
poration Line the Street will be
Widened Five Feet.

South Prospect street, that section extending from Hill street to the corporation line, is to be widened five feet. The city council, at a special meeting held Tuesday evening reached this decision after a heated discussion. Councilmen Seiter and Mason voted against the resolution to widen the street but the remaining members voted favorably and the measure carried. Seiter and Mason were opposed to the widening because it will mean at least \$3,000 extra expense. The remaining members of the council thought, however, that the additional benefit which the public in general will derive from the widened thoroughfare will more than make up for the increased cost.

This is the same improvement which created a furor in councilman circles several months ago when Dr. Seiter put up a determined fight against the paving. He claimed that it would be imposing a hardship on the tax payers. The resolution to pave the street finally went through.

The resolution provided for a 25-foot street and the contract for that width was let. After the contractors had made all the excavations, some of the property owners decided that a 30-foot street would be better and a petition was circulated. This petition was accepted at the special meeting last night.

STREET SINKS

Part of a Thoroughfare in
Creston Drops Thirty-
Six Feet.

Creston, O., Sept. 25.—A section of Coulter street, in Creston, near where a highway disappeared and a train on the Baltimore & Ohio sank into the ground a few days ago, dropped a distance of thirty-six feet Wednesday.

Residents fear the crust of a supposed underground lake will give way over a greater territory and swallow their homes. There are no houses within a distance of 500 feet of the section of Coulter street that caved in. The street is depressed for a distance of 100 feet.

WEDDING IS SOLEMNIZED

Wednesday Noon at St.
Paul's Church.

PRETTY SOCIETY EVENT

Rev. Edmund G. Mapes
Performs Ceremony.

Miss Pearl Feaster and Mr. Frederick Clark are united in Holy Bonds of Wedlock.

At historic old St. Paul's Episcopal church, a very pretty wedding occurred at 11:30 o'clock Wednesday morning, uniting Miss Pearl Feaster and Mr. Frederick Clark, both prominent young people.

The church was artistically decorated with vines, palms and cut flowers, the color scheme being green and white. About two hundred guests attended.

The choir in full robes entered the front of the church singing the processional "The Voice That Breathes O'er Eden". Next came the rector Rev. Edmund G. Mapes and the bride and groom, unattended.

At the altar the beautifully impressive ring ceremony of the Episcopal church was used by the rector. After the bride and groom and pledged their troth the choir sang the recessional "O Perfect Love" and the bride and groom left the church by the side door.

The bride is a charming young woman who has made Marion her home for a number of years. She is the niece of Mr. James Butler, of East Church street. For some time she has been employed at the "Hill and Phillips" store. Her husband is the son of Mr. and Mrs. Edward K. Clark, of North State street. He is employed in a responsible position at the Susquehanna Silk mills.

Immediately after the ceremony Mr. and Mrs. Clark left for a trip to the Southern part of the state after which they will reside at home on North State street which has been prepared by the groom.
